SOCIETY OF SAINT MARGARET'S MISSION IN HAITI**

**WEDNESDAY,
MARCH 17TH, 2010
5:30 PM**

The Sisters of The Society of Saint Margaret, long a presence in Haiti, are still working to meet the needs of their neighbors despite the loss of their Port-au-Prince Convent in the devastating January earthquake.

The people of Saint John's invite you to a benefit concert featuring several of the musicians from our concert series for an evening to benefit the work of the Society in Haiti.

A freewill offering will be taken. Checks made out to the *Society of Saint Margaret* will be forwarded to the Society.
