

**CONVENTION REGISTRATION**  
**222<sup>nd</sup> Annual Diocesan Convention**  
**November 2-3, 2007**

For the 222<sup>nd</sup> Annual Diocesan Convention, we will be using an online registration process. We hope that this system will permit more efficient use of staff time and significantly improve the check-in process when you arrive.

Everyone attending the convention needs to register in advance. Your cooperation by doing this early will help us in the necessary process of verifying voting eligibility and voting quorum requirements. It will also help us determine the best site and staffing arrangements.

- To register, go to [www.diomass.org](http://www.diomass.org) and click on the Convention link at the bottom of the home page (or you can go to [www.regonline.com/2007\\_Diocesan\\_Convention](http://www.regonline.com/2007_Diocesan_Convention)).
- **Please note:** This year's convention offers several optional activities – a Friday lunch workshop, child care and the benefit dinner – that affect online registration for individuals vs. groups: Those who want to sign up for optional activities should register individually. Group registration should be limited to include those taking part only in the business and program portions of Convention.
- An e-mail address is required for each person being registered. For anyone in your group without an e-mail address, please enter the first letter of their first name with their last name, followed by @none.com. For example: William Smith would be entered as [wsmith@none.com](mailto:wsmith@none.com). Please note that people registered in this manner will not receive a registration confirmation or any follow-up communication.
- The online system allows you to pay registration fees by credit card. Please make use of this option whenever possible to save paperwork and transaction time for all of us.
