

Barbara C. Harris Camp Summer 2013 Employment Application

Dear Staff Applicant,

We're so glad you are interested in being a part of our staff this summer at BCH!

Set among towering pines on beautiful Otter Lake in Greenfield, New Hampshire, the Barbara C. Harris Camp is a picturesque place to spend your summer working hard to make the difference in the lives of children. Every day there is the opportunity for swimming, canoeing, archery, arts and crafts, soccer, dodgeball, rock climbing, campfires and many other things that make camp fun. While leading these activities our staff is always trying to make sure each camper feels welcomed and accepted as a member of the camp community. Through our small group approach counselors build strong relationships with their campers and help them to learn more about who they are.

It is important to know that while the camp is certainly a place filled with fun and friendship, it is also a place established to help kids grow in faith. We are not necessarily looking for people who have their faith figured out, but instead we want a staff that is interested in accompanying campers on the journey as we all grow in our faith together.

Staff members are required to attend all of Staff Training and every week of Summer Camp. Staff Training runs from Thursday, June 20th until Thursday, June 27th and Summer Camp will run from Sunday, June 30th until Saturday, August 3rd. If a potential staff member needs to miss any time throughout the summer they should contact Sam and make a note of it on their application to see if we can make an exception.

If this sounds like something you're interested in, great! We're excited to have you apply. Below are details about the application process. If you have any questions, don't hesitate to ask!

We're looking forward to a great summer!

Best,
Sam
