

Your generous, joyful giving to the Diocesan Annual Fund is essential to the success of vital, strategic ministries through which Episcopalians in eastern Massachusetts are innovating with God.

With your gift, we will grow B-SAFE: Across Boston and Chelsea, B-SAFE offers more than 600 children and teens from lower income neighborhoods summer programming that makes them feel safe, big and connected. Incredibly, B-SAFE also has created partnerships with 50 of our parishes, through which more than 900 Massachusetts Episcopalians have had an opportunity to live out Jesus' lessons of love and service.

With your gift, Urban Residents will model and replicate effective leadership for growth: Our Urban Residents provide vibrant, multicultural congregations with the energy to further God's mission, while the congregations they serve help form these newly ordained priests for future leadership.

With your gift, we will strengthen and expand Life Together's transformative reach: Our Life Together intern program, through the work of more than 20 young adults trained in community organizing, faith formation and leadership development, engages hundreds of people in faith-based action within social justice organizations and our congregations.

Your commitment to these shared ministries will keep our diocese moving forward, with vision and vigor, into the mission to which God is urgently calling us, now.

To offer a gift, please visit www.diomass.org and click "campaign & giving".
