

Coordinator of Children's Ministries

St. Stephen's Episcopal Church in Lynn

St. Stephen's is a vibrant, diverse, urban congregation. We seek to add a new member to our program staff to help us live into our mission imperative of showing Christ-like hospitality to children and youth. During the school year the CCM position is part-time, 12-15 hours a week including Sunday mornings. Responsibilities include coordinating a nursery-high school church school; providing enrichment and training events for teachers; offering pastoral support to parents and children; engaging in advocacy efforts in the city on behalf of children and youth; and expanding our ministry with neighborhood children. During June and July, the CCM works full-time directing our summer program, Kids in Community. KIC offers employment for 6-10 teen interns and serves about 75, mostly Hispanic, neighborhood children in a four week, arts-based summer program (M-F, 8:30-2:30 in July). Grant writing, program development and implementation, and staff recruitment, training and supervision are also part of this position. We would also be willing to consider hiring for the summer full-time position on its own, for someone looking for summer employment only.

Please contact the Rev. Jane Gould (jgould@andover.edu; 781-599-4220; 74 South Common Street, Lynn, MA 01902) if you are interested.
