## **Bishop search consultants and Nominating Committee co-chairs announced**

In a July 19 letter ([here](#)) updating the diocesan community on the bishop search and election process, the Standing Committee announced the **hiring of search consultants and the appointment of three Nominating Committee co-chairs**.

The process of seeking the next bishop of the Diocese of Massachusetts is guided by a team of consultants who work under the supervision of The Episcopal Church’s Office for Pastoral Development. They are Judy Stark, a veteran of more than 20 searches since 2009, and two consultants-in-training, Marsha McCurdy Adell, who recently served as the co-chair of the Bishop Transitions Committee for the Episcopal Church in Connecticut, and the Rev. Geof Smith, the recently retired chief operating officer of The Episcopal Church and a deacon serving in New Hampshire and Vermont (and formerly Massachusetts).

Nominating Committee co-chairs are the Rev. Diane Wong of St. John’s Church in Arlington, Linda Ouellette of St. Michael’s Church in Holliston and William Boyce of Grace Church in New Bedford.

The Standing Committee is in the process of fully constituting the Nominating Committee, calling a chaplain and developing a timeline. A page on the diocesan website has been created at [www.diomass.org/bishop-search](http://www.diomass.org/bishop-search) for access to key information as it becomes available. In addition, the Standing Committee welcomes e-mail inquiries at [diomasssearchcom@gmail.com](mailto:diomasssearchcom@gmail.com).

## **Life Together program to take a sabbath year in 2024-2025**

The bishops and leaders of the diocese's [Life Together](#) young adult fellowship program announced in mid-July that the program will take a sabbath for the 2024-2025 program year "as we discern faithful next steps for a ministry that has formed more than 200 young adults in the past 24 years." They cited a "changing landscape for young adult service programs" and the need to reimagine Life Together's program model "to meet the needs of a new generation of young adults." A Discernment Team is to be formed this summer.

The sabbath plan will not directly affect Life Together's current program year, which gets underway this month with the welcoming of up to six young adult fellows.

## **CHURCHWIDE:**

- The [Episcopal Parish Network](#) is offering an online workshop, **"Safety and Security in Our Churches,"** on *Monday, Aug. 14, 3-4 p.m.* Given that schools, stores, government facilities and churches across the country have been targets of indiscriminate violence and senseless loss, and that no place is immune from this scourge, it's important to work to provide safe and secure environments where such events are less likely to occur, and to be prepared to minister to those affected. This workshop will present a conversation with representatives from three parishes across the country about how they are engaging in safety planning and reimagining security in their churches and on their campuses. The session aims for participants to leave with practical ideas on how to be prepared while being open to all. Find more information and registration [here](#).

- In response to two recent General Convention resolutions, The Episcopal Church Office of Indigenous Ministries is offering a new **resource for those wishing to design and implement Indigenous land acknowledgements at church-related gatherings.**

"The Episcopal Church and Indigenous Land Acknowledgements" is a six-page downloadable booklet available online in [English](#) and [Spanish](#). It includes information on what a land acknowledgement is and is not; guidance on who does a land acknowledgement; and key elements to include.

*Continued on page 5*

---

*Continued from page 4*

General Convention resolutions [C072](#) and [D019](#)—adopted last July—call for the implementation of “land acknowledgement liturgies and prayers to begin any public meetings or worship held in North America” and the promotion of Indigenous land acknowledgements “at all gatherings within the Domestic and Foreign Missionary Society and its affiliate organizations.”

Many congregations, dioceses and church groups and organizations have begun the practice of making land acknowledgements regarding the Indigenous people who live on or used to live on the land the acknowledging groups currently occupy. Learn more [here](#).
