

***Reparations Listening Gatherings  
for the Episcopal Diocese of Massachusetts  
May 2022 via Zoom***

***When you hear the word “reparations,”  
what are your feelings, thoughts, concerns, questions?***

***Let your voice be heard!***

Last November’s Diocesan Convention adopted a resolution, “[Charting the Long Road Towards Reparations](#),” that 2022 would be a year of study and discernment “in the name of repentance, reconciliation and accountability to the descendants of enslaved Africans and their communities.”

Throughout May, the Subcommittee on Reparations of the diocesan Racial Justice Commission, together with the regional canons, will host nine regional online Reparations Listening Gatherings, open to all in our diocesan community. These gatherings are about listening to you.

Please join one another for this important opportunity, and share word with your congregations, worshiping communities and groups.

**Registration is now open!**  
**[Find your region](#)**

*Those who cannot attend a session for their region may register for another date.*
